CHAPERONE INFORMATION

The following is an outline of important information we would like you to review before your trip to Heinz Field. In addition to the Group Arrival and Helpful Hints sections, please review the Teacher Activity Guide.

Upon your arrival, we will:

- Greet you at the FedEx Great Hall entrance, located along Art Rooney Avenue
- Confirm the number of individuals in your party
- Collect any outstanding balances
- Confirm your schedule/time constraints to ensure we allow sufficient touring time
- Distribute security stickers to all guests (stickers must be worn at all times)

A few helpful hints:

- Place a chaperone in the **front, middle, and back** of your group to ensure no one gets separated. The stadium will be in full operation while we are touring the facility, so it is important we stick together as a group.
- Assist the tour guide in organizing your group and keeping everyone together.
- Ensure all students are walking directly behind the tour guide.
- Allow at least two hours for your visit as the tour is approximately 1 and ½ hours in length.
- Alert us at 412-697-7150, press 5 if your group will be late for its tour.
- Please instruct students to leave all belongings on the bus (no food, drink, or backpacks are permitted inside the stadium).
- Notify the tour guide if you have any medical needs.

Please note: If the bus driver for your group wishes to participate in the tour, he/she will need to be included in the final count. If the driver does not decide until the day of the tour that he/she wishes to participate, he/she may pay upon arrival.

Teacher Activity Guide:

The Pro Football Hall of Fame and an Educational Advisory Panel consisting of nine teachers, five of which are National Board Certified Teachers, have designed a **FREE** Activity Guide for teachers to utilize in the classroom. This guide offers a fun and effective way for teachers to incorporate classroom activities relevant to football while acquiring a learning experience at the same time. The guide consists of everything from Language Arts activities to Mathematics involving the history of the National Football League, the Pittsburgh Steelers, and football in general. This book is available online through the Pro Football Hall of Fame at: http://www.profootballhof.com/assets/1/6/Steelers_2015_GOLD.pdf

Additionally, teachers can sign up for the Educational Outreach Program Newsletter to receive a monthly (September – May) e-newsletter that is sent to educators across the country updating them on current educational initiatives offered at the Hall of Fame. The newsletter also offers supplemental materials and educational resources for teachers to use in the classroom. Teachers can sign up for this newsletter at <http://www.profootballhof.com/connect/educational-outreach-program-signup/>
